

Job Notification Form, IIT Delhi

Company Overview

Name:	BeeHyv Software Solutions Pvt Ltd
Website:	www.beehyv.com
Company Type:	Information Technology
Description:	We are a premium software engineering partner for several product firms owning cutting edge enterprise grade products. Many of our customers are leading technology start-ups from the Bay Area. We work on the latest technology platforms on many innovative ideas. Because of the nature of work that we do and because we are a niche firm, we hire developers exclusively from IIT's and BITS Pilani (from premier technology institutes). In addition to working with product firms, we also do a lot of impactful and substantial work in the social sector space. We enable NGO's and governments to use latest digital platforms for their work. We are the preferred technology partners for the Bill and Melinda Gates Foundation in India and we work on large scale projects with the Ministry of Health, Drinking Water and Sanitation, etc. with them.
