

Job Notification Form, IIT Delhi

Company Overview

Name: LetsDressUP

Website: <https://letsdressup.in/>

Company Type: Information Technology

Description: LDU has been selected as one of the top 17 startups (amongst 1200+ startups in South-East Asia) by Lightspeed Venture Partners, one of the top VCs in the world. We are building India's version of Stitch Fix – Personalized clothing (your size, your style) at Scale. We personalize the user experience by building a Designer layer for the user through technology. Also, we leverage technology to aggregate the highly unorganized and broken supply side of tailor-units/ boutiques/small manufacturers etc.

LDU is a pre-series A start-up and has closed two rounds of funding. We are backed by a marquee fund and some of the top angels including Kearney's India CEO, McKinsey's senior partner, IIFL's CXO, etc. One of the Co-Founders, Aditya Balani, is an alumnus of NSIT (Netaji Subhas Institute of Technology), 2010 and ISB (Indian School of Business), 2015. He worked as a Management Consultant at A.T. Kearney and prior to that was an Investment Banker at Nomura (ex-Lehman Brothers).

Job Details

Designation: Full Stack Developer

Type: Information Technology

Place of Posting: Gurgaon
