

Job Notification Form, IIT Delhi

Company Overview

Name:	Shardings Technologies Private Limited
Website:	https://shardings.com
Company Type:	Information Technology
Description:	<p>Shardings is a secure B2B, on-prem, white labelled streaming service that allows you to create and share videos to live audiences that you can control! Whether you're making a company-wide announcement or live streaming to the audience worldwide, we allow you to control your broadcast anywhere, anytime!</p> <p>Shardings-Meet (also our product), on the other hand, is a coming-of-age video conferencing platform that you can design like your own house when you host a meeting. Now, react with sounds, give reasons for waiting in a queue, implement the utilities of several embedded apps while skipping several tabs, and so much more.</p> <p>Celebrate your best friend's birthday party or make your best first impression in an interview - do it all virtually.</p>
