

# Job Notification Form, IIT Delhi

## Company Overview

**Name:** Sourcewiz

**Website:** <https://www.sourcewiz.co/>

**Company Type:** Information Technology

**Description:** Sourcewiz is a platform offering solutions to create custom product catalogs for online businesses. This platform allows creating new catalogs using smart filters to select relevant products by color, construction, design, or material and share them with the buyers. It also allows tracking the buyer log-ins, viewing history, location, and more.

Sourcewiz has raised a total of \$3M from leading investors like AWI, Blume and Marquee investors such as Founders of top SaaS companies of Classplus, Loginext, Mad Street Den, Posist and senior leaders from Wayfair, Policy Bazaar, Venturi Partners and Transworld Group

At Sourcewiz, we are building tools to help exporters grow their businesses. Our first product is a vertical sales software built for exporters, which allows them to market their unique creations to more buyers, generate more inquiries and increase their sales conversion.

Founded by a passionate team of serial entrepreneurs and alumni of IIT Delhi, U.C Berkeley, and well-known tech companies such as Uber and Zomato.
