

# Job Notification Form, IIT Delhi

## Company Overview

**Name:** FAST RETAILING CO., LTD.

**Website:** <https://www.fastretailing.com/employment/ja/fastretailing/jp/graduate/global/>

**Company Type:** Other (Retail)

**Description:** Fast Retailing is a leading Japanese retail holding company with global headquarters in Tokyo, Japan. There are eight apparel brands in the Fast Retailing Group: UNIQLO, GU, Theory, Helmut Lang, PLST (Plus T), Comptoir des Cotonniers, Princesse tam.tam and J Brand. With global sales of approximately 2.2905 trillion yen for the 2019 fiscal year ending August 31, 2019 (U.S. \$21.53 billion, calculated in yen using the end of August 2019 rate of \$1 = 106.4 yen), Fast Retailing is one of the world's largest apparel retailers. Through LifeWear, a unique concept created by UNIQLO, the company aims to be the ultimate everyday wear brand that makes people's lives richer and more comfortable.

## Job Details

**Designation:** QA Engineer

**Type:** Core (Technical)

**Place of Posting:** Tokyo, Japan

**Job Details:** [Company overview]  
Fast Retailing Group aims to become the world's best apparel group by transforming its business operations to "Digital Consumer Retail Company" beyond the retail framework.  
We are actively investing in and focusing on Digitizing our operations and transforming the business globally. The IT Department at Fast Retailing is responsible for handling Ecommerce platforms, mobile shopping platforms, inventory management and customer data visualization.  
In Fast Retailing we are building microservices to support both store operations and e-commerce operations. Our microservices are core parts of our business.  
We offer our talents a career journey in which the goal is to become not just a tech leader, but to be a business leader. By providing diverse experiences at different roles, we expect you to develop a wide view of how the company works and lead Fast Retailing Group with a strong business acumen.
