

Job Notification Form, IIT Delhi

Company Overview

Name: RingCentral India Pvt Ltd

Website: <https://www.ringcentral.com/>

Company Type: Information Technology

Description: RingCentral, Inc. (NYSE: RNG) is a leading provider of business cloud communications and contact center solutions based on its powerful Message Video Phone™ (MVP™) platform. More flexible and cost effective than legacy on-premise PBX and video conferencing systems that it replaces, RingCentral empowers modern mobile and distributed workforces to communicate, collaborate, and connect via any mode, any device, and any location. RingCentral offers three key products in its portfolio including RingCentral Office®, a Unified Communications as a Service (UCaaS) platform including team messaging, video meetings, and a cloud phone system; Glip® the company's free video meetings solution with team messaging that enables Smart Video Meetings™; and RingCentral cloud Contact Center solutions. RingCentral's open platform integrates with leading third party business applications and enables customers to easily customize business workflows. RingCentral is headquartered in Silicon Valley, California, and has offices around the world. RingCentral has recently opened in Development Centers in Bangalore and Gurgaon India and is growing rapidly at both locations with the aim to make these among the largest innovations hubs worldwide:
