

# Job Notification Form, IIT Delhi

## Company Overview

<b>Name:</b>	Teachmint Technologies Pvt Ltd
<b>Website:</b>	<a href="https://www.teachmint.com/">https://www.teachmint.com/</a>
<b>Company Type:</b>	Information Technology
<b>Description:</b>	<p>Teachmint is an all-in-one solution combining live classes, student engagement and admin tools. This helps them to enhance their teaching methodologies and focus on what they do the best - teach. Teachmint is an easy to use platform for teachers to conduct unlimited live classes. Teachers and students can also manage all their tuition, coaching and school classrooms in one app. With Teachmint, teachers can create video doubt sessions anytime and from anywhere. Our mission is to democratise online education. Our vision is to become the default teaching app. Our goal here is to make online teaching easy and accessible to all the teachers in India. We believe that students learn best from their teachers with whom they can personally connect and interact. We at Teachmint, are making the teacher student connection simple and easier. As of date, Teachmint has raised over \$40 million and we are backed by some of the marquee investors (Learn Capital, Lightspeed India, Better Capital, Kunal Bahl, Rohit Bansal) in India.
