

Job Notification Form, IIT Delhi

Company Overview

Name: UltraTech Cement Limited, Mumbai

Website: <https://www.ultratechcement.com/>

Company Type: Core (Technical)

Description: UltraTech Cement Limited is the cement flagship company of the Aditya Birla Group. A USD 5.9 billion building solutions powerhouse, UltraTech is the largest manufacturer of grey cement, ready mix concrete (RMC) and white cement in India. It is the third largest cement producer in the world, excluding China. UltraTech is the only cement company globally (outside of China) to have 100+ MTPA of cement manufacturing capacity in a single country. The Company's business operations span UAE, Bahrain, Sri Lanka and India.

UltraTech has a consolidated capacity of 116.8 million tonnes per annum (MTPA) of grey cement. UltraTech has 22 integrated manufacturing units, 27 grinding units, one clinkerisation unit and 7 bulk packaging terminals. UltraTech has a network of over one lakh channel partners across the country and has a market reach of more than 80% across India. In the white cement segment, UltraTech goes to market under the brand name of Birla White. It has one white cement unit and one wall care putty unit, with a current capacity of 1.5 MTPA. UltraTech has over 130 ready mix concrete (RMC) plants in 50 cities across India. It also has a slew of speciality concretes that meet specific needs of discerning customers. Our Building Products business is an innovation hub that offers an array of scientifically engineered products to cater to new-age constructions. UltraTech pioneered the UltraTech Building Solutions (UBS) concept to provide individual home builders with a one-stop-shop solution for building their homes. Today, UBS is the largest single brand retail chain with over 2500 stores across India.
