Job Details

Designation: Associate Product Management

Type: Other (Product Management)

Place of Posting: Noida or Bangalore

Job Details: Your Role:
We are looking for a detail-oriented problem-solver to join us as Associate Product Manager within the Product Management team of Innovaccer, one of the world's fastest-growing healthcare-tech companies. In this role, you'll be at the forefront of driving up product strategies by processing and analyzing data and taking end-to-end ownership of defining, and reporting key metrics.

A Day in the Life:

- Analyze and report trends in large and complex datasets by leveraging automation and dashboards across various external and internal tools
- Present findings and recommendations in an effective manner to drive strategic decision making
- Collaborate with product, engineering, delivery and other teams in an enterprise setting on innovative solutions to pain points
- Proactively define, develop and analyze new KPIs/metrics to help optimize product operations
- Work alongside various product and other functional leaders to drive key initiatives And, you'll be enabling all of these
- Enabling data-driven decision making
- Strengthening product knowledge
- Transparency in R&D activities
- Building strong product-customer feedback loops
- Support high-priority, cross-functional projects

To succeed in this role, you'll need to have structured problem-solving skills, strong analytical abilities, willingness to take initiatives and drive them, excellent verbal and written communication skills, and high levels of empathy towards internal and external stakeholders, among other things.

What You Need:

- BE/BTech/ MTech
- Experience planning and leading major initiatives
- Deep understanding Product Management, Agile development is an advantage
- Proficiency with Analytics, Product Management tools/comfort with learning new ones Eg. JIRA, Mixpanel, Excel/Google Sheets, Hubspot etc.
- Demonstration of the use of data and evidence-based decision making
- History of outperforming colleagues in the following areas:

Resourcefulness – You are able to figure out ways to get things done

Taking Initiative – You go out and do it, without being told. You can take chances, fail, and learn

Velocity – You are able to function and complete tasks quickly and at a high level even when things are constantly moving and changing at a fast pace

Judgment – While being fast and resourceful, you make a smart and ethical decision

Joining By: 2 June 2022
