Job Details:	<p>Job Description What does GILP offer ?</p> <p>Every year, lakhs of bright minds graduate from top educational institutes in India but most of them join the corporate sector. The best minds in our country rarely get an opportunity to tackle the most critical problems facing our nation. GILP aims to bridge this gap. For college graduates, GILP is a four year program where young idealistic graduates who are interested in nation building can collaborate with and contribute to the political ecosystem through direct interactions. GILP is the most ambitious talent development program in our space and is in line with the best programs globally in the corporate world.</p> <p>1. Unique Experience: You will get a once in a lifetime opportunity to build a fulfilling career in an upcoming space, a chance to work with political stakeholders at all levels to gain in-depth exposure about politics and a real chance to contribute towards solving interesting, unsolved problems at scale.</p> <p>2. Accelerated learning & growth: You will be part of a small handpicked team of diverse, passionate and talented individuals who will constantly challenge, support and work with you to achieve extraordinary outcomes. GILP will set you on the 9 year path to joining the organizational leadership.</p> <p>3. Hands-on mentorship: As part of this program, you will be mentored by a team of seasoned professionals who have pioneered the evolution of this space and undertaken various electoral campaigns across the country.</p>

4. Competitive remuneration: We understand the value of the talent we have in sustaining our success and we offer competitive remuneration as part of our commitment to our people.

About the role - GILP Political Consultant

Starting in the summer of 2022, Political Consultants will be part of multiple project teams working on advising senior client members in the political domain. They will be a part of multiple election campaigns and will work on some of the most challenging policy and governance problems facing the country.

During campaigns, political consultants interact closely with political leaders and organizers at the constituency, district, state and national level. While this is an interesting proposition and comes with enormous exposure, it also raises expectations of maintenance of confidentiality, display of exemplary client management skills and most importantly, of performance.

What are we looking for in our Associates?

As part of GILP, we are looking for team members at the associate level who demonstrate the following traits:

- Academic Excellence: Combine an impressive academic record with strong technical skills
- Prioritise Impact: Optimise for impact above everything else
- Structured Problem Solving: Tackle complex situations through effective and structured

problem solving and out-of-the-box thinking

- Effective Communication: Possess strong written and verbal communication skills - both

individually and in a group setting

- Initiative: Adapt to dynamic and ambiguous situations with a clear bias for action
- Teamwork: Contribute to the strong team ethic and work towards the success of the entire team

- Leadership Skills: Display the requisite leadership qualities to take ideas forward

- Strong Ethics: Possess uncompromising ethical principles

Eligibility

- In order to be eligible to apply for the Political Consultant position in GILP, you need to be from
