**Job Details:** About Groww:

We are India's fastest growing investment platform. We are changing the way India invests. We believe in simplifying customer experience. At Groww, we are obsessed in building simple and scalable products for our customers and hence trusted by millions of Indians.

- Website: <https://groww.in>
- Industry: Internet
- Headquarter: Bangalore
- Founded: 2016
- Success Stories: <https://groww.in/p/press/>

Our Vision:

1. Easy
2. Fast
3. Transparent

Investing in India was none of the above, but we are changing that. Super easy to use, Lightning fast, crystal clear.

We Stand for:

1. Customers First.

Every decision we make is centred around customer's needs and convenience.

2. Simple is Beautiful.

Be it our app, website, or services - we strive to keep making things simpler.

### 3. Honesty & Integrity.

We want our customers to be completely aware of everything to do with their investments. Whatever we do is always crystal clear.

Go for it if you:

- Have a strong understanding about product and design intricacies and an obsessive attention to detail.
- Have a get-things-done attitude and a customer-focused mindset.
- Seek satisfaction in delighting millions of users everyday while working with cross-functional teams.
- Are purpose driven and have a zeal to solve complex problems.
- Are a team player and are always ready to offer a helping hand and don't shy away from asking for one when in need.
- Last but not the least, have a strong will to Groww.

APM Job Profile:

APMs push the boundaries within the company to build what our users love. The APM program will expose APMs to all functions of the company and to all the broad disciplines of business, marketing, product development, brand, and engineering. APMs are responsible for building products that delight millions of users everyday while working with cross-functional teams. APM role involves identifying and solving some key problems that our customers may face. Key requirements - strong consumer empathy - problem-solving skills - ability to coordinate with multiple stakeholders - strong product sense.
