Job Notification Form, IIT Delhi

Company Overview

Name:	Auctus Advisors Pvt Ltd
Website:	http://www.auctusadvisors.in/
Company Type:	Consulting

Description: Auctus Advisors is a management consulting and advisory firm we founded 11 years ago with the objective of creating sustainable value for our clients. We have offices – Mumbai, Gurgaon, Delhi, Bangalore, Hyderabad. We work with our clients across diverse geographies including India, South East Asia, Europe and Japan.

Our projects involve working closely with our clients to address their most important strategic problems. There are two factors that drive our service offerings. The first is the diversity of our client base. It spans entrepreneurial growth businesses in their incubation phase, large diversified Indian conglomerates and western multi-nationals operating in India, government. The second is our desire to be long-term growth partners to our clients, not just project-specific consultants. Consequently, our service offerings span both strategy (aspiration setting, regulatory and policy analysis, growth strategy, resource allocation, risk management, bid advisory, valuation and due diligence) and execution (planning & review, organization development, business incubation, project war rooms etc.) We believe we have been successful in this – we have clients who have partnered with us continuously over many years through multiple phases in their evolution.

While our strategy development and execution processes are sector agnostic, till date, our work has largely been in technology, transportation (airports, highways, seaports), real estate, power (both conventional and renewable), construction, retail, consumer goods, healthcare and education, industrials, media and sports, big data and digital.
