Job Notification Form, IIT Delhi

Company Overview

Name: Rippling

Website: www.rippling.com

Company Type: Information Technology

Description: Rippling is the first way for businesses to manage their HR & IT — from payroll and benefits, to employee computers and apps — all in one, modern system.
In just 90-seconds, a company can set up (or disable) an employee's payroll, health insurance, work computer, and third-party apps, like Gmail, Microsoft Office, and Slack. It's the only platform that truly unifies every employee system, and automates all of the administrative work.
Rippling is headquartered in San Francisco and has raised over $200M from top-tier investors, including Founders Fund, Greenoaks Capital, Coatue Management, Kleiner Perkins, and YCombinator.
