Job Notification Form, IIT Delhi

Company Overview

Name:	Infurnia Technologies Private Limited
Website:	https://www.infurnia.com/
Company Type:	Information Technology

Description: At Infurnia, we believe the future of the design industry lies in cloud-based platforms. Taking advantage of improving web technologies and digital infrastructure, Infurnia brings all the benefits of a cloud-based platform to the design industry, at a disruptive price. Our focus is to create an integrated and easy to access design platform for the architecture and interior design ecosystem. We are working towards pioneering a full-fledged parametric BIM (Building Information Modelling) design software on the cloud. More at https://www.infurnia.com/about-us
